

## The smart cordless polisher 10,8 V, rotary and random orbital free-running

### PXE 80 10.8-EC

Order number 469.068

#### Technical attributes

|                             |                                 |
|-----------------------------|---------------------------------|
| Max. polishing pad diameter | 80 mm                           |
| Max. back-up pad diameter   | 75 mm                           |
| Orbit                       | 3 + 12 mm                       |
| No load speed               | 400-2000/-3000/-4000/-5800 rpm  |
| Orbit rate, no load         | 800-4000/-6000/-8000/-11600 opm |
| Battery voltage             | 10,8 V                          |
| Battery capacity            | 2,5 / 4,0 / 6,0 Ah              |
| Size (W x L x H)            | 265 x 65 x 95 mm                |
| Weight without battery      | 0,63 kg                         |

#### The smart cordless polisher 10,8 V, rotary and random orbital free-running

- + Innovative, tool-free quick-change system for the exchange of drive types rotary and random orbital
- + For rotary and random orbital free-running work with 3 and 12 mm stroke
- + Flexible and easy as never before from spot sanding to finishing without creating any holograms with one tool
- + The ideal complement device for every vehicle finisher, varnisher and the spot repair area
- + Continuous speed control trigger: for a gentle start and a lock-on for continuous operation
- + Features constant speed control and four speed stages, Display by LED clearly visible
- + Perfect ergonomics and flexible grip options because of its ideally placed softgrip surfaces
- + Vibration optimization for smoother operation
- + Cushioned special velcro pads for polishing and grinding
- + Shock protection ring to protect surfaces
- + Brushless motor with greater efficiency and a longer service life
- + Electronic management system (EMS) protects the machine, extends the service life, and increases efficiency
- + LED battery capacity display
- + FLEX battery system: suitable for all FLEX 10,8 V battery packs. Delivery does not include battery and charger
