Compact vacuum cleaner with manual filter cleaning, 6 l, class L

- + Very compact, handy and light vacuum cleaner with carrying strap for mobile use. The compact design means it fits in all vehicles
- + The high-performance turbine ensures both a high suction capacity and a high vacuum. The outcome is an excellent extraction result
- + By actuating manual filter cleaning, dust deposited in the filter element is removed by a targeted blast of air
- + Flat-fold filter for optimised cleaning and improved container filling
- + Accessories can be stowed due to integrated brackets on the suction head
- + With 32 mm diameter compact hose with a length of 0.5 m can be extended to 2.5 m. Very handy, for easy transport of the vacuum cleaner
- + Including easy-to-fit running gear
- + Powerful vacuum cleaner for professional use in final assembly, automotive cleaning etc. FLEX power tools can be connected with ease using the FLEX clip system for extraction work
- + Optimised for cleaning work in offices, storage rooms, workshops and vehicles
