

Eco Gas Certificate

Süwag Vertrieb AG & Co. KG certifies that

FLEX-Elektrowerkzeuge GmbH

according to the natural gas supply contract in the calendar years 2021 and 2022 is supplied with 100% climate neutral ÖkoGas at the following point of consumption:

FLEX-Elektrowerkzeuge GmbH
Bahnhofstraße 15
71711 Steinheim

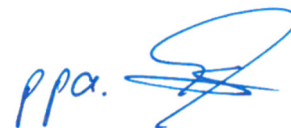

By purchasing our climate neutral ÖkoGas product you support worldwide climate protection projects and help save CO₂ emissions.

As a climate neutral ÖkoGas customer of Süwag, you relieve the environment by supporting climate protection projects with an average consumption of 900 MWh per year by around 225 t CO₂ compared to a regular natural gas delivery.

Frankfurt am Main, 15/12/2021

Mario Beck
